

A REMINDER OF END OF REGISTRATION FOR STUDIES OF SEMESTER II FOR THE 2024/2025 ACADEMIC YEAR

Be informed that the Second Semester for the 2024/25 academic year commenced on 8th April 2025 for the School of Medicine and Dentistry and School of Nursing and Public Health. That, according to the University of Dodoma Regulations for Undergraduate Programmes 2019 as revised in 2022, the registration deadline is set to be two weeks after the commencement of the new Semester. Thus, the deadline of registration shall be on **21st April, 2025** for all students in School of Medicine and Dentistry and School of Nursing and Public Health.

Thus;

1. All unregistered students are reminded to complete registration online as per UDOM regulations to avoid any unnecessary inconveniences.
2. All registered students should collect their studentship identity cards from their respective College/School/Institute administration blocks without failure.
3. Students are reminded that, registration is done online through their UDOM-SR2 accounts available at <https://sr2.udom.ac.tz>.
4. No student shall be allowed to enter and/or sit for Continuous Assessment, Tests and End of Semester II University Examinations without a **valid student Identity Card**.

All students are reminded to abide by the University of Dodoma regulations guiding undergraduate programmes of 2019 as revised in 2022. These regulations can be accessed at <https://www.udom.ac.tz> .
