

EXTENSION OF REGISTRATION FOR SEMESTER II – 2024/25 ACADEMIC YEAR

The University of Dodoma management has noted with concern that a significant number of students have not completed their registration for semester II 2024/25 academic year despite multiple reminders. To address this, the registration window has been reopened for one week, starting from June 18 to June 24, 2025. That being the case, the final deadline for registration for all students across Colleges, Schools, and Institutes will be June 24, 2025.

Accordingly:

1. All unregistered students are urged to complete their registration online in accordance with UDOM regulations to avoid any inconveniences.
2. No student shall be permitted to sit for the End of Semester II University Examinations without a valid Examination Ticket and/or student ID card which will be accessible upon completing registration.
3. Students who cannot register within this timeframe will be required to request for postponement of a semester (POS).
4. The registration window for Semester II, 2024/25, will not be reopened after the expiry this registration window.

All students are reminded to abide by the University of Dodoma regulations guiding undergraduate programmes of 2019 as revised in 2022. These regulations can be accessed at <https://www.udom.ac.tz>.
